# Chairman's Message

*When a Club's facilities are interrupted over a period and members' Club routines are disrupted as a result it would seem logical to expect that patronage would take some time to build up to its old level once the full facilities became available again.*

*At least that's what your Committee expected as a result of our recent alterations. We assumed that many members would have formed new dining and wining habits while our own facilities were unavailable to them and that they would drift back slowly when these areas were again opened.*

*Such has been far from the case.*

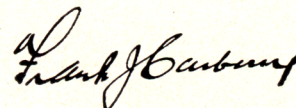

*Virtually from the first day of opening, both the dining and lounge on the fourth floor and the buffet/bar on the second have been supported at a higher level than ever before.*

*This has been most gratifying to your Committee for two reasons.*

*The first is that by this wholehearted support members have shown that they have a pride in and an affinity for the Club. In other words they prefer to spend their leisure time in Tattersall's rather than anywhere else provided their needs are fully catered for.*

*The second is that in the design, decor and service provided by the new, or renovated, areas in the Club our members have found what they want and by their support have put the seal of approval on these improvements.*

*Naturally when alterations as extensive as those made in the Club over the last few months occur, minor "teething troubles" result and a settling down period into new routines is inevitable. These kinds of small problems now face us but I'm sure they will quickly be overcome to the satisfaction of all concerned.*

## HAPPY BIRTHDAY

The new lounge and re-decorated dining room on the fourth floor provide an unexcelled setting for a Club celebration these days and there last month to take full advantage of the happy atmosphere and facilities they have to offer was Cedric Henderson and his two sons, Robert and Roger. The occasion for the get-together of these three members was Cedric's birthday and they all celebrated it in fine style with dinner and the appropriate liquid refreshment before and after. We didn't quite catch the particular birthday that Cedric and his sons were celebrating but this is beside the point in any case. The main thing is that they all thoroughly enjoyed the evening and to Cedric all his friends send best wishes for a happy birthday.

## VACATION

If the Club office looked a little understaffed last month it could well have been because of the absence of our popular secretary, Lyal Binns. The reason why his familiar figure was not to be seen around the precincts was a very good one for Lyal was taking his annual vacation. This year he decided that going away from home for his vacation was "for the birds" especially when he had the sand, sun and surf so close to his front door and the inclination to do nothing much more than laze around and swim in the process of re-charging the batteries for the year ahead. This decision might have been a good one in the main but unfortunately it resulted in one drawback which Lyal could well have done without. While swimming with the family at Maroubra he picked up an infection in the ear and spent the latter part of his holiday on the receiving end of regular doses of penicillin. However, in spite of this he assures us that he thoroughly enjoyed his break away from Club routine with his charming wife Carmel and his son Raymond. Meanwhile the Club affairs were in good hands for Jim Thomson did an excellent job standing in for Lyal during his absence. All members are glad to hear that you had a pleasant vacation Lyal and to see you looking so fit and well despite your minor health set-back.

## 50th WEDDING ANNIVERSARY

In preparing a barbeque for 38 guests at his home at Cheltenham last month well known member, Gordon Wicks, couldn't have had a happier task. The barbeque was to celebrate the 50th wedding anniversary of his mother and father and a most appropriate occasion it turned out to be. All the living brothers and sisters of both his parents, together with the children, were present plus their intimate friends. A bridesmaid at their wedding was also there wearing the same necklace she had been given as a bridesmaid's present 50 years ago. Jack and Pearl Wicks, the happy couple, received personal telegrams from both the State Premier and Governor, together with scores of messages of goodwill from friends everywhere. If this particular party were the criterion, it would seem that maturity increases rather than diminishes the celebrative staying power for the guests, most of whom were around the four score mark, were still going strong at 3 a.m., at which time Gordon was far more jaded than the rest. To Mr. and Mrs. Wicks, their and Gordon's friends in Tattersall's send sincere congratulations on their half-century of happy marriage and wish them many more years of conjugal health and happiness.

## TEMPORARILY OUT OF THE SWIM

If there's one member of the Club who always looks the picture of perfect health its our veteran swimming section official, Jack Dexter. We're sorry indeed to report that Jack's good health deserted him temporarily last month and when this paragraph was written he was confined to bed at home. Always a hard worker for swimming generally, Jack was officiating at the New South Wales swimming titles late last month when illness overtook him. He reluctantly agreed to forego his duties at these events after some persuasion and was taken home. Happily Jack's indisposition was not serious and it was expected that he would be up and about again by the time this item saw print. We all sincerely hope so Jack and for goodness sake hurry back, for the Club, particularly the third floor, just isn't the same without you.

\* \* \*

## ALL RIGHT AGAIN

Tattersall's swimming section certainly had its run of bad luck over the last two months for prior to Jack Dexter's illness (see paragraph this section) the redoubtable Sam Block had been laid low. As we reported last month Sam was taken ill just prior to Christmas and had to miss all the Yuletide fun at the pool. We're happy to report that despite the multiplicity of minor illnesses which caused Sam's indisposition he has now fully recovered and is practically his old self again. This is just as well for with Jack absent during the latter part of January Sam had to bear some of the load. We're all happy to hear that you're O.K. again Sam and suggest that you swimming club officials try to co-ordinate your illnesses a bit better in the future.

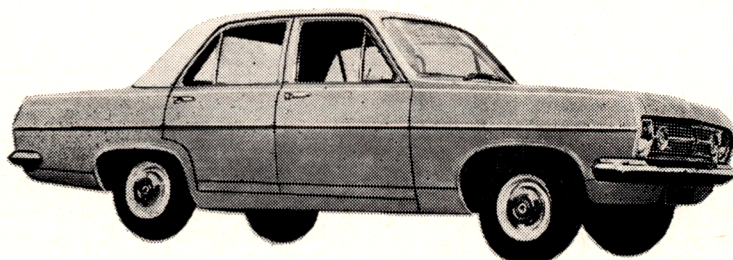

## *Congratulations on Club Alterations*

Over the last six weeks many members have gone out of their way to contact Tattersall's Committeemen, either personally or by letter, and congratulate them on the great improvement in the Club facilities which have been brought about by the Improvement Plan. On behalf of the Committee our Chairman, Frank Carberry, would like to thank all those members for their expressions of appreciation. He says it is most gratifying for the Committee to know that so many members have not only found the improvements to their liking but have made the opportunity to pass on their sentiments to those they consider responsible.

### **"HULLO AUSTRALIA"**

Last year we reported in T.C.M. that member and A.B.C. announcer, Kevin Chapman, had gone to Japan on an exchange mission between the A.B.C. here and N.H.K. in Japan. Kevin has, of course, long since settled down in Japanese radio and can now be heard by Australians who have short wave radios on a programme called "Hello Australia". Kevin's programme is of 40 minutes duration and consists of a variety of segments including interviews, news, folk tales and subjects concerning Japan. From all accounts this programme is becoming rapidly more popular with listeners in Australia which is no doubt largely due to Kevin's breezy and interesting style on the air and his efficient organization of the session. Congratulations on your success Kevin. From Tattersall's we wish you continued success on international radio.

### **\* \* \* CELEBRATION**

As reports in these columns indicate Tattersall's provides the background for many happy occasions and celebrations amongst our members and guests. None could have been happier than when well known member, Phil Smith, entertained a party in the dining room just prior to Christmas. Phil gave the party to celebrate the engagement of his lovely daughter, Philippa, to Tony Borg and what more satisfying experience could a father have than to set his daughter's feet on the path to a happy marriage. Philippa and Tony made an ideal couple and were obviously overjoyed to be surrounded by so many friends on this happy night. Also present was Philippa's sister. All Phil's friends in Tattersall's heartily congratulate the young couple on their engagement and wish them a long, healthy and happy married life.

### **\* \* \* IMPORT ACTION**

This typewriter could almost write the following paragraph unaided, for regularly, at least once per year, news of Harry Bernstein's arrival appears in these pages. For the benefit of the uninformed—and they must all be new members—Harry Bernstein is our peripatetic member who spends half his life in Australia and half in the United States. A well known motion picture executive, Harry retired some few years ago and has been following the above international commuting programme ever since. When Harry's in Australia Tattersall's is his home and it is, as always, a great pleasure to say happy homecoming to him for he is deservedly one of our most popular members when in town. It's nice to see you with us again Harry

# Friday Night Meals for Buffet Soon

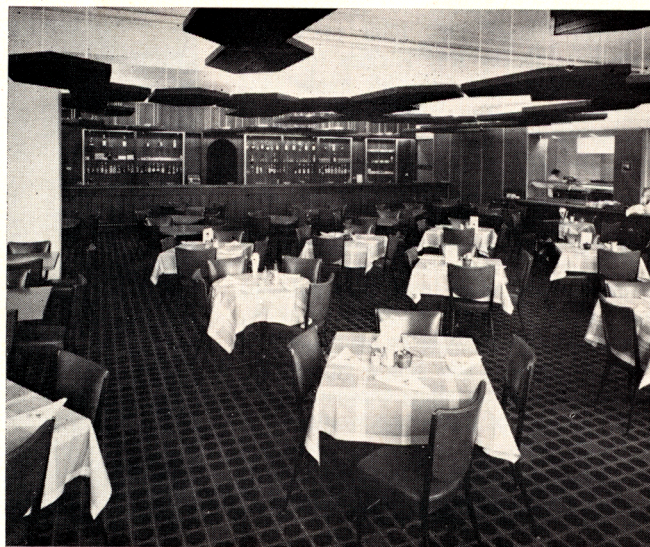

The Club Committee plan to serve meals for members in the buffet/bar on the second floor as soon as possible. The only thing standing in the way of an immediate start for this new service is the problem of staff. As soon as this can be organized and duty schedules worked out this innovation will come into operation.

While our new buffet/bar on the second floor is most popular with all classes of members in the Club, our younger membership seems to be making it their mecca. This is as could be expected for the floor holds most of the amenities which would appeal strongly to them. They can have a light meal served without delay, have the billiard room handy for a game if they feel so inclined, poker machines are available for a modest "flutter" and they can drink comfortably at the bar.

Particularly in view of this popularity with younger members, a logical extension to the present service is for a light meal to be served on Friday nights. This is a traditional evening out with many people and such a service would enable them to dine without loss of time and then go on or enjoy a relaxed evening with their friends in the Club.

For this reason, and also to serve the needs of other members who perhaps don't have the time to eat in the dining room, the Club Committee are anxious to have this service started as soon as possible. However, it does require some planning, particularly in staff

rostering, and this is being carried out at the present time. It is expected that it will be completed in the near future when an announcement will be made of the starting date.

### HOW ABOUT SOME TROUT?

If you've never eaten a fresh-caught trout then you have missed out on one of life's most delightful gastronomic experiences. If you have eaten one (or more) then you'll need no second bidding to come along to a free trout fishing week-end with the "boys" from Tattersall's. The group of members who originally started and now run the Matterhorn Lodge on Lake Euclimbene have made the lodge available to Tattersall's members on the week-end of the 18-19th February. They invite all members to join in the fun; the accommodation is completely free and the only cost will be for food (and other nourishment), the hire of a boat if required and transport. Member Dick Setright, who is organizing the show says, "If you are a beginner at trout fishing we'll advise you on gear, etc.; if you're an expert, come along and enjoy the week-end with us." Naturally accommodation is limited and though there are some bookings in already, there are still vacancies on the list for more members. So what about it? Phone Dick Setright on 94 4588 or 97 1908. He'll give you all the details and perhaps be able to arrange a seat in one of the cars going down if you're interested.

# First Owner-to-Jockey Retainer

ONLY ONE FOLLOWED AN OLD ENGLISH CUSTOM

BY C. J. GRAVES, SYDNEY DAILY TELEGRAPH

A proposed retainer to be paid by Victorian trainer Des Judd to crack Melbourne jockey Roy Higgins for first call for the horses from his stable was mentioned recently as likely to be the first of its kind in Australia. But nearly 60 years ago a retainer was paid to Victorian jockey Bob Lewis by millionaire studmaster Ernest Clarke over a period of 30 years until the latter's death.

Jim Scobie, in his book "My Life in the Australian Turf", published in 1929, mentioned that Mr. Clarke paid Lewis a retainer of \$500 a year plus a percentage of winnings and travelling expenses. The "fiver" a week of those days would have 10 to 20 times the spending power of the current ten dollars. Scobie was Mr. Clarke's trainer and with Lewis formed a wonderful trinity of the Turf.

Jim Scobie was one of Australia's greatest trainers who turned out winners

*Scobie Breasley taken recently in England with his infant granddaughter, Zonda. He has had many retainers for first, second, third and more calls on his services and, although 54 years old, Granpa rides in top form.*

of 15 Derbies, 13 St. Legers, nine Ascot Vale Stakes, and four Melbourne Cups.

Scobie won 150 races for Mr. Clarke, who paid Lewis the retainer, and his horses won \$258,000 in his 26 years on the Turf. Mr. Clarke had a wonderfully successful stud, Melton Park, about 30 miles out of Melbourne and, when he brought out an English stallion named The Welkin and a brood mare named Teppo, they fostered whole families of winners and had a vast influence on the breeding of champions of the Australian turf. Towards the finish of his race career he must have been surfeited with success, because when Scobie told him that Trivalve, whom he bred, would win the 1927 Melbourne Cup he went off big-game fishing in New Zealand waters and was landing a "whopper" as Trivalve flashed past the post an easy winner of the cup. Mr. E. D. and Rupert Clarke were sons of Sir William Clarke, baronet, who acquired great tracts of city, suburban and grazing property in Victoria worth millions. On his death the baronetcy passed to his elder son,

Rupert, and thence to another son now living in Melbourne after an English education. The original Sir Rupert and Ernest Clarke raced in partnership for some years, then quarrelled and separated, and Ernest went on to great triumphs in classics and the great handicaps all over Australia as a breeder and owner. Sir Rupert won the 1903 St. Leger with Sweet Nell when F.J.A., the Derby winner four days before and a hot favourite, ran unplaced in his black and pink colours. There was an uproar which lasted until that night when a whip presentation was made on the stage of a vaudeville show to Bob Lewis. The crowd furiously rose in their seats and howled down the presentation. Sir Rupert retired from racing.

For Ernest Clarke it was a fitting climax to a successful career of breeding and racing when Trivalve proved his best horse by winning the 1927 Melbourne Cup and \$56,000 in stakes—all at three years. He bred the colt by Cyklon (imp.) from Trey. Trey was by The Welkin from Teppo, the pair of English

importations who had made his stud one of the foremost in all Australia.

Bob Lewis, the recipient of Mr. Clarke's retainer, was, in his prime, the best lightweight in Australian history. He was equally skilled in four furlong two-year-old skurries or a two-mile Cup. Fit and a non-drinker or smoker, he was indefatigable throughout or at the end of a race. Thus he won four Melbourne Cups—1902, The Victory; 1915, Patrobas (half-head); 1919, Artilleryman; and 1927, Trivalve; and nine Ascot Vale Stakes over six furlongs up the Flemington straight; and 10 Derbies over 1½ miles.

In his book, Jim Scobie said Bob Lewis was a great asset to his stable. No jockey could compare with him in giving information about the gallops he rode, particularly for Melbourne Cups. It was this asset which enabled Scobie to prepare Trivalve for a first up from a spell Derby win in 1927. Scobie was also a first-up adept in his own right, for he won the 1923 Melbourne Cup with Bitalli who hadn't raced for four months!

Although jockeys' collects were infinitesimal in his day compared with the present, Bobby Lewis quickly became a rich man. His chief joy was window

shopping and every city he went to he would seek out the saddler's emporium and look at the racing harness. But he never bought. It was on record that he made an official loan to the Caulfield Municipal Council of \$120,000. On retirement, he bought a grazing property out from Melbourne where he bred a few thoroughbreds and spelled race-horses. There was a deep mystery when he died and left no money. People in the know thought he possessed \$200,000 at least, but nobody ever heard of a will or probate of his estate. They still wonder where his money went.

Payment of retainers by owners to jockeys is one of the few English turf customs which hasn't been adopted in Australia. All prominent English jockeys are retained either by an owner or a stable. Some receive as much as \$10,000 a year for first retainer and \$4,000 for a second and \$2,000 a third, thus being in receipt of a huge income whatever wins they may achieve. Gordon Richards, knighted before the end of his riding career, had retainers from 10 owners or stables in his last 15 years as a rider. Australia's Scobie Breasley has held numerous retainers ever since he settled in England and all recent visitors from here ride under at least one retainer.

## Council President of St. Vincent de Paul

One of our highly esteemed members, John P. Trew, has this month been chosen as the President of the Superior Council of Australia of the Society of St. Vincent de Paul.

Those of our members interested in the work of charitable organisations, and that includes all of them, will be familiar with the work which this Society does for the poor of all classes and creeds in our community. Some of the aspects of its work, such as the conduct of the Matthew Talbot Hostel, the Westmead Boys' Home, and similar activities, are familiar to most members.

John Trew's new responsibilities will include attention to all of the Society's special works of this character throughout Australia and later this year will include a visit to Paris to take part in the triennial meetings of the Council General of the Society. Some of his more important activities in the Society to date include the pioneer organisation of the Society's Home for Retarded Boys at Morriset, conducted in association with the Brothers of St. John of God, and more recently the setting up of a new organisation within the Society to co-ordinate assistance from the Society's conferences in Australia to its various branches and conferences in South East Asia and the Pacific.

We wish you well in your new work John and trust that your period of office will be a happy and successful one and that the work of the society will proceed smoothly effectively under your Presidency.

# OUR NEW YEAR RACE MEETING

Our New Year Race Meeting turned out to be a great success as usual, made particularly so by the fact that Pat Porter, one of our most popular members, and an owner of long standing, won Tattersall's Gold Cup with his horse Conclave which he races in partnership with Mrs. Porter.

Tattersall's "New Year's Day" meeting got off to a successful start with our traditional luncheon in Tattersall's room on the course. Many of our members, whose turn it was for an invitation, attended together with distinguished guests of the Club. These included Sir Frank Packer and Mr. Renshaw, the former Premier of New South Wales, who joined our Committeemen at the official table.

Soon after the day's racing got under way, it became apparent that it was going to be a "George Moore" day and this was confirmed by the fact that this jockey finished the meeting with four wins and three seconds.

One of his successes was on Conclave to give Pat and Mrs. Porter their popular win. As Pat is never behindhand in letting his Club friends know when he thinks he has a winner, no doubt many Tattersall's members were also delighted to see Conclave get up. A four-year-old, Conclave had six victories up to his Cup win.

Our Chairman, Frank Carberry, found it a most delightful duty to present the Cup to Pat and Mrs. Porter and the trainer's trophy to another member in the person of Tommy Smith.

Our Cup Day was appropriately climaxed by the fact that the chairmen of both Sydney racing bodies, the A.J.C. and the S.T.C., won races; Mr. Brian Crowley with Brigade in the Welter and Mr. Bill Longworth with Not Responsible in the New Year's Gift.

# Tattersall's Members Honoured in Queen's New Year Awards

Seven Tattersall's members were honoured in the Queen's New Year List. Three were knighted, two received C.B.E.'s and two O.B.E.'s. The knights are the Hon. Sir John Clancy, K.B.E., C.M.G.; Sir Bernard Freeman, C.B.E. and Sir John Hurley, C.B.E. Dr. A. M. Dan and Mr. A. H. Urquhart were awarded the C.B.E. and Dr. N. F. Benjamin and Mr. L. C. Hynes received the O.B.E.

To these seven members, their fellow members at Tattersall's extend sincere congratulations on their well merited awards. It is indeed a pleasure for those in the Club to be associated with members of the community who have contributed so much in their various spheres to its welfare and progress.

## THE HON. SIR JOHN CLANCY K.B.E., C.M.G.

Sir John is one of the outstanding personalities in our community for he has figured prominently in legal circles over many years and in tertiary education more latterly.

Educated at Sydney Marist Brothers' High School, he served with the A.I.F. in World War I. On returning from service he decided upon a legal career, in which he quickly distinguished himself, and was admitted to the Bar in 1925. A meritorious career in his chosen profession ultimately led to his appointment as a Judge of the Supreme Court of New South Wales and it was only in 1965 that he retired from the Bench.

He was appointed Chancellor of the University of New South Wales in 1960 and continues in this post at the present time.

He received his knighthood for services to his profession, to education and to many other areas of community activity and welfare.

## SIR BERNARD FREEMAN C.B.E.

Sir Bernard was born in Sydney and educated at Xavier College, Melbourne. He served in the first A.I.F. and the Australian Flying Corps during World War I. The founder of Metro-Goldwyn-Mayer Pty. Ltd., leading motion picture distributors, here in Australia he has been their chairman and managing director for 41 years. In consequence his name has been a byword in this industry for many years and his retirement from this long-held post on the eve of receiving his knighthood represented a great loss to the motion picture industry for which he has done so much.

Sir Bernard has a wide range of community interests which include

Sir Bernard Freeman, C.B.E.

Sir John Hurley, C.B.E.

membership of the Sydney Opera House Trust, life governor of the Royal Institution for Deaf and Blind Children and chairman of the Universities National Houses Appeal. He was chairman of Rotary District 275 President's Committee for two years in 1960 and 1961.

## SIR JOHN HURLEY, C.B.E.

Sir John is very well known to those in industry and commerce for he has been prominent in these fields for many years. He has been joint managing director of Berlei Ltd., Sydney, and associated companies since 1948. He was president of the Associated Chambers of Manufactures of Australia for two years in 1955 and 1956. He was also president of the New South Wales Associated Chamber from 1955 to 1957.

Sir John is also a director of the Australian National Travel Association.

## DR. A. M. DAN, C.B.E.

A leading medical practitioner in the community and a company director, Dr. Dan has been widely known for his charitable works over many years. He has assisted a variety of charitable organizations and also given personal assistance to many.

## A. H. URQUHART, C.B.E.

Mr. Urquhart is perhaps best known to the general public as former chairman of the Sydney Stock Exchange. During his occupancy of this position he was responsible for bringing the Stock Exchange more closely in touch with the small investor.

# Winooka Trophy Competition

The following are the results of the Winooka Trophy competition:—

Robert Hill (+32) defeated Charles Coppa (+32) 41/37.

Gus Bartlett (+1) defeated Arthur O'Connor (+18) 41/38.

Charles Robinson (+17) defeated Terry Forrest (+31) 41/24.

Don Stait (+18) defeated P. Barnes (+27) 41/27.

Gus Bartlett and Arthur O'Connor staged a grand match. Gus really had to play at his peak to overtake Arthur and it was a real photo finish. Points were hard to win throughout the games with Arthur maintaining his lead and Gus gradually pegging him back as the match progressed. Both chaps gave everything they had. Hard hitting, soft placements, etc. In the end Gus had that extra bit of stamina which enabled him to go to the post strongly and run out the winner. Whilst congratulating Gus for a fine effort, we must give Arthur that little "pat on the back" for a courageous display.

Robert Hill and Charles Coppa also had a grand match. Both on handicaps of +32, the scores see-sawed throughout with every point being fought for as though it was the final winning one. Here again the little bit of extra condition counted in Robert's favour to enable him to get up and win. Congratulations to both Robert and Charles.

Charlie Robinson had a very easy win over Terry Forrest, and Don Stait also had a comfortable win over Peter Barnes.

## New Year Awards

(Continued from page 9)

### DR. N. F. BENJAMIN, O.B.E.

Dr. Benjamin has been an outstanding ambassador for Australia in the world of sport. An internationally known bowls administrator, he was primarily responsible for having the recent World Titles held in Australia. He has carried out overseas trips in the interests of the sport and has been prominent on the executive of the world controlling body for many years.

### L. C. HYNES, O.B.E.

One of the best known figures on the Australian broadcasting scene, Mr. Hynes is general manager of the Commonwealth Broadcasting Corporation of which 2UW is the main station. He is a former president of the Australian Federation of Commercial Broadcasting Stations, to which association most of the commercial stations belong.

### PERSONAL

We are very pleased to see our good friend Sam Block back at the third floor looking "hale and hearty". Sam had a few days off prior to Xmas and it is indeed good to see him back on deck again.

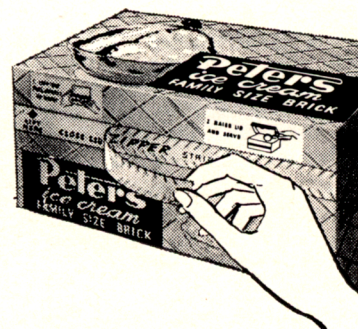

Whilst we are pleased to see Sam back we regret to say that our friend Jack Dexter was a bit off colour and has been absent from the third floor for a few days. We hope that you will be back with us again, Jack, by the time this appears in the magazine. In the meantime, cheerio to both Babe and yourself.

Norman Rogers continues to go on his merry way as a racehorse owner. Clovelly won for him at Rosehill recently.

Arthur McCamley and Edna wish to thank all their friends at Tattersall's Club for the congratulations for their recent marriage. You have all been very kind and the wishes were greatly appreciated.

They send special greetings to Stafford Callinan and his wife, Rene, and John Fox, who were in Fiji at the time of their marriage. These nice people journeyed to Korolevu to attend the wedding and helped make it a wonderful success.

# Billiards - Snooker Handicaps — Championships to Start this Month

After our lengthy delay we are now ready to go into action again in the billiards and snooker section and resume both our handicaps and championships. The commencing date is the 13th February and all remaining games will be played on the championship table, which is to be set up in the Clubroom on the first floor, as in past years. Nominations for the billiards and snooker championships will close on the 20th February.

The delays we have experienced in the continuation of the billiards and snooker handicaps which were commenced last July have been frustrating to all enthusiasts. However, as members know they were unavoidable in view of the extensive alterations which have been made in the Club over the latter months of 1966. Now that they have been completed and we can see the improvements which have been made we can feel that the delays have been in a very good cause and very much worthwhile when measured against the end result.

So with our interruptions behind us we are now ready to go ahead, complete both handicap events and get under way with the championships.

All members are therefore advised that the commencing date for the remaining matches in the handicaps is the 13th of February.

Draws are displayed on the notice board in the Club and members are requested to co-operate by playing their games as soon as possible so that we will overcome the time lag at the earliest possible time. We feel that all players will be delighted with the news that we have been able to adhere to tradition and play both our handicaps and championships on the table in the clubroom on the first floor. Such a venue gives an atmosphere to our events which is not quite apparent elsewhere.

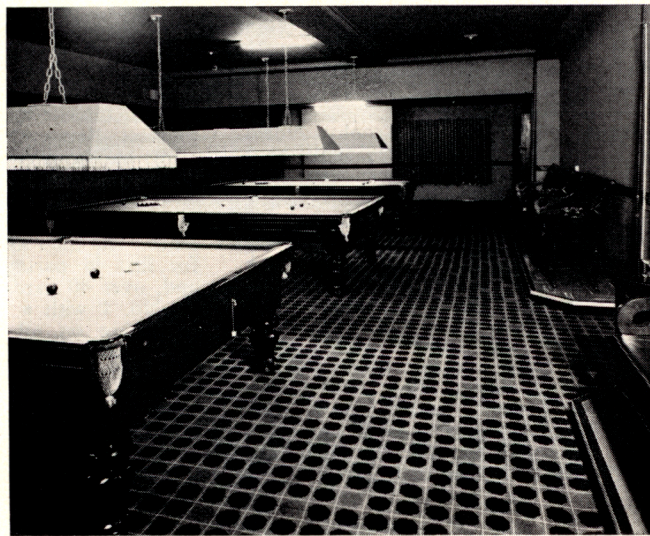

We also adhere to "tradition" in the fact that Don Goodley will officiate at the tournament matches as he has done so ably in the past.

Our championships will be run under the same conditions as in previous years with the lowest handicapped eight in the billiards tournament and the lowest 16 in snooker.

Members are advised that nominations close for both championships on the 20th February.

The nomination deadline was put back for one week to the above date so that

The new billiard room which our members now enjoy.

all intending entrants would have plenty of notice and the opportunity of seeing this notice in the journal.

Now that our new billiard room on the second floor has been in operation for just over a month and many members have had the opportunity of playing on the tables I think we can all feel highly satisfied with the result. Many comments have been received in favour of the new decor, generally improved surroundings and the improved atmosphere which now exists in our section.

For those members who don't know, all three tables on the second floor have been completely renovated. Each has had a completely new cloth and new pockets. Also new sets of balls have been provided for each table. The result is greatly improved playing and all those who have tested out the new equipment are unanimous in the opinion that the tables are now true and fast — far more so on both counts than they were before. This enables us all to play the game of our choice as it should be played and enjoy it to the full. There's no doubt that, whether

champion or tyro, playing any sport with the best equipment possible, gives a great deal more satisfaction than playing under inferior conditions.

That is all the news from the Billiards and Snooker section this month, but in our next issue we will be bringing you news of the progress made in tournaments at which time they should all be reaching a very interesting stage and providing excitement galore for players and spectators alike.

# Norm Rogers' Treble

**Congratulations to Norm Rogers on winning the December/January Point Score—regaining the lead for the “Native Son” Trophy — and winning the last race at Rosehill last Saturday with “Clovelly” who is raced in partnership with Norm and Mrs. Rogers, Tommy Smith and the DeLa Sala interests.**

The Rogers' win was very deserving and an example of what can be done when one tries as hard no matter what his chances may be. Good luck, Norm.

Max Sernack and Dave Bruce, who were runners-up, swam well to earn 21 points with consistent Doug Holman in fourth place.

In the “Native Son” Trophy, Norm Rogers leads from John Cunningham and John Keating by  $2\frac{1}{2}$  points with David Cohen, the previous leader,  $\frac{1}{2}$  point astern followed by Max Sernack a further  $\frac{1}{2}$  point away in fifth place;  $1\frac{1}{2}$  points to Gordon Williams and  $\frac{1}{2}$  point to Terry Forrest. Only five points separating the first seven contestants.

Some very excellent swims have been recorded during the last month, which included John Devitt, 19-1; Paul Blake, 19-5; David Cohen and Norm Rogers, 20-1; Michael Primrose, 20-2 and 20-5; John Keating, 20-8; David Whitehead, 21-1; and Bill Butchart, 21-2.

Quite a few of the lads had their handicaps increased by Clive Hoole only to lose same at their next start. Notable among these were Bruce Cameron losing two secs.; Michael Primrose, D. Hann, C. Carpenter and David Bruce one apiece.

The highlight of the swimming during January has been the efforts of our popular Bruce Chiene, who, in a 40 yards handicap on January 7, was as far in front as his thoroughbred “The Yank” gets in his races only to swallow half the water in the pool and miss a place. He then registered a dead heat for first in partnership with W. Rowe and, over 40 yards on the 17th chalked up No. 1 with a swim of 27.5, despite swimming on all three occasions with a very defective “Rudder”. Bruce leads the point score for Jan./Feb. by  $\frac{1}{2}$  point from consistent David Dind, with Gordon McGrath trailing a further point away in third place.

We welcome new swimmer John

Barker to the fold, who should soon win his way to the front.

Welcome reappearances were those of John Garrity, Ralph Corrick and Doug Kearney. Good to see you, boys!

It is with regret that the passing of Bob Cathels, a supporter of the Club and father of Dave Cathels, is recorded, and we offer our sincere sympathy to the family.

During the month we had the pleasure of the company of Doug Cain of the New Zealand Swimming Association, who was introduced by John Devitt. The officials extended an invitation to take part in the events but Doug graciously declined.

Unknown to the members, we think our pool was honoured by lads of the Swedish Navy, amongst whom may have been the Crown Prince incognito. The boys were introduced by fellow member John Cooper.

It is not often that the Swimming Club Officials are away from their

# Bowls Season off to Good Start

The bowling season got off to an excellent start with our first game of the year at Waverley on the 12th of January. Plenty of enthusiasm was displayed all round which augurs well for the coming year. We are all looking forward to a progressive and pleasant twelve months with plenty of good fellowship and exciting play in the section.

Waverley attracted no less than 38 Tattersall's players and six visitors on the 12th of January and we saw the happy return of such good bowlers in the section as Ken Brown, Lyn Aynsley, Arthur Willis, Stan Chatterton, Sam Peters, Lou Malouf and Charlie Cohen. There is no doubt that players of their quality and pleasant approach to the game do much to lift our days and make them happy ones for us all.

Len Barrell, Homer Jones and Sam Peters were the trophy winners and they made no doubt about the issue with a near record of 28 points. Excellent bowling in anyone's language.

President, Dr. Fuz Porter, welcomed a new member in the person of K. D. Manion and it was a great pleasure to have him with us. We look forward to his company on many an occasion to come.

The preliminary rounds of the singles championships started at Rose Bay on the 19th of January and, naturally, a great deal of interest centres on this solo event. We anticipate some fine matches to come. In the meantime, the results

were victory for Stan Clements over Mick Greenberg at 31 to 9, Maurie Cameron defeated Ern Wright in a close finish at 31 to 29 and Don Wilson beat Fred Spring with ten more to spare at 31 to 19.

A good roll up at Rose Bay on the 19th of January saw forty of our players take to the mat. Bunny Saw, Gordon Booth and Dr. Ryan "took out the money" and congratulations on their victories.

Unfortunately rain washed out our day which was scheduled for Kensington on Thursday, 26th of January and there were some unhappy would-be bowlers around the town as a result.

But with the weather, we've got to take the rough with the smooth; look at the N.S.W. Sheffield Shield cricket team.

Bookings are coming in fast for the annual dinner dance and, unfortunately, there's a limit on just how many we can take. So whatever you do, avoid being the one left out and book your tables early.

The Australian Turf Bowlers' Association Carnival is to be held in Adelaide in April, as all those up with the news will know by now. Any of our members who wish to participate should give his name to the Secretary so he can arrange travel bookings, accommodation, etc.

The Don Wilson Trophy will be continued in the first week of February. With half of the twenty games now behind us, there seems to be about ten players with a good chance. This makes it a very open event at this stage and perhaps we will see a photo finish. Add to the Don Wilson Trophy the singles championship and the pairs handicap and it is not hard to see that we are in for a very busy six months between now and the middle of the year.

Twelve players are wanted for the Ashfield Trophy, which is to be played on a Tuesday in the near future. This trophy is played against Ashfield with the four teams that beat Ashfield by the biggest margin to return to play in the semi-finals and finals against each other. Need it be said that only the best players will be required.
